Thursday, December 2, 2021

8:00am-12:00pm 1:30pm-4:30pm

Courtyard Marriott UD Arena

2006 Edwin C Moses Blvd Dayton 45417

No reservation required. Please bring a copy of your CV/resume.

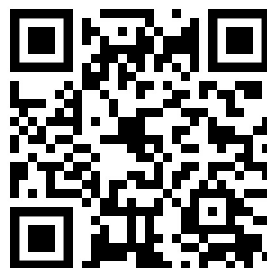

Interview for Immediate Openings

- **Entry Level & Professional Positions**
- **No experience necessary**
- Positions starting at **minimum \$14.50/hour**
- Specimen Processors, Specimen Collection Specialists, Couriers, Tech Assistants, Medical Billers, Customer Service Reps, Phlebotomists, Medical Technologists, LPNs

Interview for the Phlebotomy Training Program

- 5-week phlebotomy training in January 2022
- **Paid, on-the-job training** to become a CompuNet Phlebotomist

There is a selection and interview process to be accepted into the training program. Training is provided by CompuNet staff members and will prepare you for an entry level phlebotomy position with CompuNet. This is a phlebotomy training program exclusively for CompuNet phlebotomists and not intended for general training.
