(Price is determined by methodology used to perform test.)

**Patients and Providers:** Please note that additional testing may be performed along with the COVID-19 (SARS Cov2) test. Per Centers for Disease Control and Prevention (CDC) guidelines, CompuNet Clinical Laboratories is testing for COVID-19 along with other testing, such as a Respiratory Viral PCR which detects additional respiratory viruses.

Please contact your insurance provider directly to understand what your financial obligation will be.

**Q: What amount do I owe if I do not have insurance?**

**A:** If you do not have insurance, you could receive a bill for services rendered.

**Q: Our Government has announced that Coronavirus testing will be free. Is this the case?**

**A:** The Government mandated Essential Health Benefits includes coverage for the diagnosis and treatment of COVID19; however, the exact coverage details and out of pocket responsibility may vary by each individual insurance plan. If you have health insurance and would like to know the amount of any co-payments or deductibles, please contact your health insurance company directly.
