## SHARE THE GIFT OF HEALTH WITH FRIENDS AND FAMILY THIS SEASON!

CompuNet's Gift of Health promotion offers discounts on nearly all of CompuNet's direct access tests, available to purchase without a physician's order. The offer is valid now through March 31, 2024 at all CompuNet Patient Service Centers.

CompuNet and Premier employees currently receive the same Gift of Health level of discount on CompuNet's direct tests year-round, but now, for a limited time, these same discounts can be extended to friends and family through the Gift of Health promotion.

Individuals may schedule an appointment, but walk-ins are also welcome. Payments are made at time of service by credit or debit card. Test results will be available through CompuNet's online patient portal, My Labs Now\* within a day or two.
