This card offers a guide to seamless healthcare interactions, with always accurate information provided to patients and providers.

HYATT PSC RELOCATES TO A BETTER AND MORE CONVENIENT SPACE

The Hyatt Patient Service Center is relocating from the 1st floor to the 2nd floor of the same building on February 13th, with the new space opening its doors on February 14th. The move to Suite 206 brings a larger waiting room and improved accessibility, positioned next to the building's entrance. This move reflects our dedication to meeting the growing needs of our patients, offering a more spacious and convenient environment. We look forward to welcoming you to the new Hyatt PSC.

SHARE THE GIFT OF HEALTH WITH FRIENDS AND FAMILY THIS SEASON!

CompuNet's Gift of Health promotion offers discounts on nearly all of CompuNet's direct access tests, available to purchase without a physician's order. The offer is valid now through March 31, 2024 at all CompuNet Patient Service Centers.

CompuNet and Premier employees currently receive the same Gift of Health level of discount on CompuNet's direct tests year-round, but now, for a limited time, these same discounts can be extended to friends and family through the Gift of Health promotion.

Individuals may schedule an appointment, but walk-ins are also welcome. Payments are made at time of service by credit or debit card. Test results will be available through CompuNet's online patient portal, My Labs Now* within a day or two.
