

CompuNet CONNECT

November 2024 / Vol 02 No 11

SHARE THE GIFT OF HEALTH WITH FRIENDS AND FAMILY THIS SEASON!

Starting November 1, 2024, CompuNet's Gift of Health promotion offers 20% off of all of CompuNet's Direct Access Tests, available to purchase without a physician's order. The offer ends December 31, 2024, at all CompuNet Patient Service Centers.

Individuals may schedule an appointment, and walk-ins are also welcome. Payments are made at time of service by credit or debit card. Test results will be available through CompuNet's online patient portal, My Labs Now, and most results will be available within 1-2 days.

For more information on the Gift of Health tests and discounts or for appointment scheduling visit: www.compunetlab.com/gift.

COMPUNET ADDS NEW TEST: SEX HORMONE BINDING GLOBULIN

Effective November 11, 2024, CompuNet Clinical Laboratories will now perform Sex Hormone Binding Globulin (SHBG) tests in-house, supporting healthcare providers in assessing hormonal health and related conditions.

Key Details

- Test Code: SHBGLB
- Department: Chemistry
- Specimen Requirements: 1 mL Serum (SST) or 1 mL Plasma (Lithium Heparin), minimum 0.5 mL. Patient should be fasting.
- CPT Code: 84270

The SHBG test is accessible in the CompuNet CPU Interface as SHBGLB - Sex Hormone Binding Globulin.
